Camp Burnett Log Work/Refinishing Work/Chinking Work

The Burnett County Natural Resources Committee is seeking bids for log work, refinishing work, and chinking work on our main lodge building at Camp Burnett (30319 Eliot Johnson Rd, Danbury, WI 54830). Contractors are asked to do an assessment of the main lodge building and provide a detailed written description for the recommended work along with a drawing of the main lodge building showing where work is to be completed. Total costs for each phase of work are to be submitted on the attached bid sheet. Written descriptions for the work and materials used should be submitted on additional sheets along with the attached bid sheet. Below lists the phases of work to be completed.

Log Work

The contractor shall list all recommended log work to include any log segments to be replaced, any crowns to be replaced or repaired, any rafter tails to be replaced, and any other log work to the building that you feel should be considered. Contractor should supply a detailed description of all work and materials to be used.

Refinishing Work

The contractor shall list the process and products used for refinishing the main lodge building. Work should include removing old finish, treating logs to prevent rot and applying a quality stain. Contractor should supply a detailed description of all work and materials to be used.

Chinking

The contractor shall list the process and products used to chink all exterior joints of the main lodge building. Contractor should supply a detailed description of all work and materials to be used.

Warranty

The Contractor shall list any and all warranties provided on the completed work.

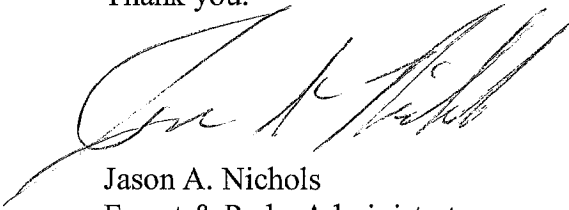

Other

1. Contractor shall furnish all labor and materials for the project.

2. All work shall be completed either prior to or after the camp rental season. Typical season runs from mid May through September. Scheduled work cannot interfere with camp rentals.
3. The Contractor is required to submit to the County certificates of Contractors' liability insurance coverage (\$1,000,000 minimum) and workers compensation insurance coverage (\$500,000 minimum) before any work can be started.
4. Contractor agrees to protect, indemnify, and save harmless the Burnett County Forest & Parks Department and its representatives and employees from and against any and all causes of action, claims, demands, suits, liability, or expense by the reason of loss or damage to any property, or bodily injury to any person, including death, as a direct or indirect result of this project or in connections with any action or inaction of the Contractor, who shall defend the Burnett County Forest & Parks Department in action or claim.

Contact the Burnett County Forest & Parks Department with any questions you have pertaining to this project.

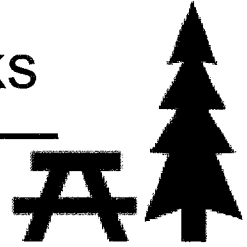

Thank you.

A handwritten signature in black ink, appearing to read "Jason A. Nichols". The signature is fluid and cursive, with a large initial "J" and "N".
