Second Installment Due Date - July 31st

An envelope addressed to the Burnett County Treasurer with a United States Postal Service (USPS) postmark of July 31 is considered paid on time, no matter when received. An electronic payment to the Burnett County Treasurer with a transaction/entry date of July 31 is considered paid on time. In 2022, since July 31st is a Sunday, August 1st postmarks and transaction/entry dates are considered paid on time.

In 2022, all payments mailed or entered after August 1st must be received by our office no later than August 5th to be considered on time.
